| ▪ ITW Buildex | Sammy Screws | 9% | 8/1/08 |

Looking forward, there is a high likelihood that there will be additional increases in other products throughout 2008. **Further our opinion at this time is that the likelihood of additional increases will probably continue for the next few months.** We will keep our customers posted with all of the latest developments, as they become available. If you require additional information, feel free to contact your FFF sales representative. As always, thank you for your business and support during these difficult times.

Sincerely,

J Johnson
National Sales Manager
